ABOUT ME

Meticulous web developer with over 2 years of Front-End experience and passion for responsive website design and a firm believer in the mobile-first approach. Google Meta Cousera course certified. Implemented new responsive website approach which increased mobile traffic by 20%. I also have experience designing user interfaces.

EXPERIENCE

Frontend Developer Intern (February 2023 – Present)

LAGOS STATE MINISTRY OF SCIENCE AND TECHNOLOGY / Alausa, Ikeja, Lagos, Nigeria

- Building and implementing the user interface (UI) and user experience (UX) aspects of websites or web applications.
- Collaborating with designers to ensure that visual design is accurately translated into code and that the user experience is seamless.
- Testing and debugging to ensure that my code functions correctly across different browsers, platforms, and devices.

Networking Intern (May 2021 – Oct 2021)

LAGOS STATE CHIEF OF STAFF (ICT DEPARTMENT) / Alausa, Ikeja, Lagos, Nigeria

- Analyzed existing network security policies and procedures, prepared reports suggesting improvements.
- Perform hardware troubleshooting, wired and wireless networking configuration, software configuration and upgrades.
- Tested and evaluated hardware and software to determine efficiency, reliability, and compatibility with existing systems.
